

Dear Colleagues and Students,

I am delighted to announce that the International Conference **NO-Cancer 2025 will be held on May 26-27, 2025** at the Aula Magna of the University-Hospital of Novara (see attached the announcing miniposter).

The two-day workshop focuses on basic and translational cancer research with emphasis on cancer cell biology (including cell metabolism, genetics and epigenetics, tumor microenvironment, and microbiota) and advanced diagnostic and personalized therapeutic approaches.

On behalf of the organizing committee, that includes Prof. Gianluca Gaidano, Prof. Alessandra Gennari, Prof. Matteo Donadon, Prof. Marisa Gariglio, Prof. John DiGiovanni, Prof. Danny Dhanasekaran, Prof. Devrim Gozuacik, Dr Riccardo Moia and Dr Alessandra Ferraresi, I invite you to attend the conference.

There are slots for Invited Lectures, Oral/Short and Flash communications that will be selected from the abstracts. PhD students and post-docs are encouraged to register and submit their abstracts.

For more info and registration, please visit <https://nocancercongress.uniupo.it/>

Registration is free but mandatory. Seats are limited.

Looking forward to seeing you at the Conference,

Prof. Ciro Isidoro

Chair of the Organizing Committee

NOTE FOR STUDENTS: Due to the limitation of seats, only students on the first and second year UPO Medical Biotechnology Master course who are **up to date with exams and with an average grade of 24/30** will be allowed to attend the conference in the presence at Aula Magna of the Hospital. Registration for students will open on May 8, 2025. If deemed necessary due to overbooking, we will organize a streaming from the Aula Magna del Bellini.
