HYBRID EVENT

10:00

The Chair of Ancient and Medieval Philosophy DISUM–Department of Humanities at the Università del Piemonte Orientale is pleased to announce a one-day workshop on the reception and transformation of Aristotelian thought within the Neoplatonic tradition. The event brings together scholars from leading European and North American institutions to examine a range of philosophical, philological, and scientific questions arising at the intersection of Aristotle and late antique Neoplatonism.

The workshop is organised by **Silvia Fazzo** (Università del Piemonte Orientale), **Jean-Marc Narbonne** (Université Laval), and **Marco Ghione** (Università del Piemonte Orientale).
